Dear David

I would like to thank you for introducing us to Tom Skipp of TS Office Supplies. We obtained a quotation from T S Office Supplies and found them to be competitive. Since then we have used them for all our stationery needs and have always been happy with the service.

As a business supplying high quality handmade wooden furniture, floors and trusses to the trade and end users we require a reliable source for our stationery and office products. T S Office supplies are always on hand to offer friendly and helpful advice, on the best product from their vast range, when needed and delivery is always prompt and efficient.

We have no hesitation in recommending Tom Skipp and TS Office Supplies to any business requiring stationery from a reliable, local and competitive supplier.

Yours sincerely
