Testimonial for Miscampbell and Company

Having just recently started my own business I commenced the services of Paddy Miscampbell from Miscampbell and Company as my Company Accountant.

From the outset Paddy took the time to understand my business, explain in depth what needed to be done at my end and taken time out one to one to ensure my records were being done correctly.

Paddy is always available for any advice or questions that I have.

I would therefore have no hesitation in recommending Paddy and Miscampbell and Company for any Accounting Matters.
