## To Whom it may concern

Testimonial for Mr Joe Carey 21/04/10

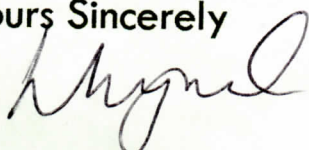

I recently took on the services of Mr Joe Carey of Sydney Johnston Financial Services to look over the current Life and Saving policies I had possessed for years.

He took the time to find out exactly where I was at this point in time and what I needed for the future. He understood my needs and wants and came back to me with several recommendations saving me £60 per month that I can now invest elsewhere.

Joe was very thorough in his assessment of my current financial set up and introduced the best and most cost affective policies for me at this time.

It was a pleasure doing business with Joe and look forward to more recommendations in the future

Yours Sincerely

Lesla Lynch
